## Plan Year 2027 Compensation Rates

### 2027 Aetna Medicare Advantage Rates

| National       |                                  |       |                              |
|----------------|----------------------------------|-------|------------------------------|
| Contract Level | 2027 Policy Effective - Lump Sum |       | Prior Year Policy Eff - PMPM |
|                | CMS New                          | Base  | Renewal                      |
| AG4            | \$725                            | \$363 | \$363                        |
| AG3            | \$660                            | \$330 | \$330                        |
| AG2            | \$602                            | \$301 | \$301                        |
| AG1            | \$529                            | \$265 | \$265                        |

All LOA and LOAAM level rate is \$0.00.

Lump Sum pays at an annualized rate (prorated by effective date if applicable). PMPM pays monthly (divide full Renewal rate by 12 for monthly payment amount).

The rates contained in the Compensation Schedules (including the status of any particular plan as commissionable) are subject to change and may be updated from time to time by Company in accordance with the terms of the Producer Agreement. Producer will be paid according to their hierarchy level, which is subject to change.

| Contract Level | 2027 Effective Dates |           | 2025 - 2026 Effective Dates | 2024 Effective Dates | 2023 Effective Dates | 2020 - 2022 Effective Dates |         |
|----------------|----------------------|-----------|-----------------------------|----------------------|----------------------|-----------------------------|---------|
|                | Lump Sum             |           | PMPM                        | PMPM                 |                      |                             |         |
|                | CMS New              | Base Rate | Renewal                     | Renewal              | Renewal              | Renewal                     | Renewal |
| AG4            | \$0                  | \$0       | \$0                         | \$0                  | \$52                 | \$48                        | \$46    |
| AG3            | \$0                  | \$0       | \$0                         | \$0                  | \$46                 | \$43                        | \$41    |
| AG2            | \$0                  | \$0       | \$0                         | \$0                  | \$40                 | \$37                        | \$35    |
| AG1            | \$0                  | \$0       | \$0                         | \$0                  | \$35                 | \$33                        | \$31    |

New 2027 prescription drug plans are non-commissionable; PMPM pays monthly (divide full Renewal rate by 12 for monthly payment amount).

In 2022, the SmartSaver plan replaced SmartRx and became non-commissionable. In 2025, all SmartSaver, SmartRx and Plus plans were rolled to the Choice plan. SmartSaver plans remained non-commissionable after rolling to the Choice plan.

The rates contained in the Compensation Schedules (including the status of any particular plan as commissionable) are subject to change and may be updated from time to time by Company in accordance with the terms of the Producer Agreement. Producer will be paid according to their hierarchy level, which is subject to change.
